ARTIST PROFILE

Simone P, aka **Deep Tech Loop**, is a DJ focused on sophisticated electronic music with a strong emphasis on Deep House, Minimal and Deep Tech. His sets are built around groove, atmosphere, hypnotic rhythms and carefully selected tracks, creating a refined sound suitable for both intimate venues and high-energy late-night environments.

Based in the UAE and available for bookings in Dubai, across the UAE and internationally, Simone P brings a mature, professional approach to DJ performance and music curation.

His ongoing mix series, “**Come to my Deep House**” and “**Come to Minimal Deep Tech House**”, demonstrates a consistent commitment to electronic music and regular long-form DJ programming.

MUSIC & SOUND

The Simone P sound moves between warm Deep House, stripped-back Minimal and groove-driven Deep Tech. The focus is on flow rather than formula: rolling basslines, subtle percussion, atmospheric textures and controlled energy build naturally across the set.

This versatility allows the project to adapt to different booking environments—from sophisticated hotel and lounge programming to sunset sessions, beach clubs, private events and late-night club sets.
